Two Great Events In September

CLUB PICNIC

The Orange County Mustang Club

In 1987, a group of individuals who appreciated the beauty and performance of the Ford Mustang joined together to form the Orange County Mustang Club. Their purpose was to promote the restoration, preservation and enjoyment of the Ford Mustang. To perpetuate this goal, members pay yearly dues, meet monthly, promote car shows, hold social activities, take cruises and attend parades and other activities to foster the love

PRESIDENT'S THOUGHTS

So much going on...if you missed **Dave Jones's**, All Generation Cruise in September, you missed his best one so far. Since 50% of the mustangs owned by our members are First Generation Classics, these cruises are easy driving intended for All Generation Mustangs. Below is an updated list of cars owned by our members.

The car show season is going strong through the last couple months before the holidays. Last month at Cruising for a Cure, 3 of our members won Trophies. Congratulations to **Janice Martinez, Toni Trumbo, and Mireya Zimmerman**. A lot of our members were there for this great event. **Wally Ruziecki** volunteered to put his car in our booth. Wally's black classic drew a lot of attention including the attention from Classic Industries. They asked Wally to allow them to photograph his car for their catalog. The photo shoot was this weekend. Can't wait to see the final photos. Congratulations Wally!

Another great Car Show this weekend was the Mustang Club of San Diego's Mustangs on the Bay. They had over 350 cars for this long running Car Show with its amazing site and perfect weather. **Keith Lott**, won a beautiful crystal trophy for his California Special. Congratulations Keith!

The OCMC has two very awesome but different shows coming up. Silverado Day Festival Car Show is in a park with big shady trees and the friendliest group of car people. While the ALL FORD- Mustang Madness Car Show is the most fun car show. We have several weeks to go, and yet we have already surpassed registrations from any previous year.

It's not too late to register for both of these shows and we definitely need your HELP!
